**19 February - 3 March 2019**

## 1. BACKGROUND OF THE PROGRAM:

The Association for Overseas Technical Cooperation and Sustainable Partnerships (AOTS) is an organization for human resources development mainly in overseas countries to promote technical cooperation through training, experts dispatch and other programs. Through those programs, we aim at contributing to the mutual economic growth of developing countries and Japan as well as enhancing friendly relations among those countries.

AOTS was established in 1959 with the support of the Ministry of International Trade and Industry (which is the present Ministry of Economy, Trade and Industry: METI) as Japan's first technical cooperation organization on a private sector basis. More than 194,000 individuals from 171 countries have undergone our training in Japan, while the cumulative attendance at our overseas programs till the end of fiscal 2018 exceeded 204,000.

The Program on Production Management (*Monozukuri*) for Africa (AFPM) is one of such management training programs, which is being organized in collaboration with AOTS Alumni Societies in African countries and Japan Productivity Center (JPC) in order to upgrade production management capabilities of executives and managers working in African companies through learning the mind-set of "*Monozukuri*" and production management techniques.

\* *Monozukuri*, a combination of the words *mono* (thing) and *zukuri* (process of making), has a deeper meaning than its literal meaning in Japanese. *Monozukuri* means having the spirit to produce excellent products and the ability to constantly improve a production system and process.

## 8. TRAINING COSTS (Application from overseas countries):

The training costs and the procedures for the settlement differ depending on whether an overseas company makes the application via collaborating organization or a Japanese host company in Japan makes the application. The following is an explanation of the case of the application from an overseas country via collaborating organization.

### 8-1) Outline

AOTS training programs are financed by Official Development Assistance (ODA) subsidies from the Japanese Ministry of Economy, Trade and Industry (METI) together with the Participation Fee from the participants themselves.

The Training Costs will vary in accordance with the actual airfare and participants' staying days. Therefore, the Participation Fee will be finalized after their arrival in Japan by submitting the actual air ticket and the receipt. The international Travel Expenses have an upper limit called Standard Airfare Limits, which depend on the country and the region as shown in Table 2.

The Estimates of the Participation Fee for the countries of Category 1\* and for the countries in Category 2\* are shown in Tables 1-1 and 1-2. Please refer to Table 3 "List of Target Countries and Regions" for the classification of category 1 and category 2.

Participants will be requested to pay the Participation Fee in Japanese Yen in cash to AOTS after their arrival in Japan.

\*Please note that the subsidy from the Japanese government will be applicable from the day before the commencement of the training program to the final day of the training program in principle.

### 8-2) Breakdown

The Training Costs are the total amount of expenses to invite a participant to a training program in Japan. It is the sum of 1. Allowance Costs, 2. Course Implementation Costs, and 3. Domestic Travel Allowance. The Participation Fee, the amount that participants should bear, consists of Contribution to Allowance Costs and Contribution to Course Implementation Costs.

#### **1. Allowance Cost**

Allowance cost is composed of the following items.

The Contribution to Allowance Costs for the participants from the countries in Category 1 is 1/3 of the Allowance Costs. Participants from the countries in Category 2 do not have to pay the Contribution to Allowance Costs.

##### **(1) International Travel Expenses**

- The subsidy from the Japanese government will cover the actual airfare up to the Standard Airfare Limits (the AOTS's Standard Airfare Limits for FY2019 is shown in Table 2.). International travel expenses are provided if an air ticket and its receipt satisfy the required conditions; they are not provided if the conditions are not satisfied or the participant is travelling on a free ticket.
- Participants should purchase their own round-trip air tickets. Please refer to "Guidelines for Purchase of Air Tickets by the Participant" for the arrangement and the method of reimbursement for details.
- A participant is not allowed to overstay at city(ies) of a third country between participant home country and Japan for any reasons other than flight convenience. In such a case, AOTS might not reimburse the International Travel Expenses to the participant.

## **(2) Accommodation and Meal Allowance**

At the AOTS Kenshu Center

- During the training period, participants will be accommodated at an AOTS Kenshu Center. AOTS will provide a participant with accommodation in a single room to the value of ¥9,020 per day with meals (lunch, dinner and breakfast), while the participant stays at an AOTS Kenshu Center.
- For the arrival day, AOTS will provide a participant with accommodation to the value of ¥8,180 per day with dinner and breakfast at an AOTS Kenshu Center.
- Please note that AOTS Kenshu Center canteens are closed on Sundays. The participant will receive ¥2,620 in cash per day for meals to cover the day of closure.

- When a study tour is implemented during the training program, a participant will be provided with accommodation to the value of ¥10,267 (the upper limit) per day, but the meal allowance (¥2,620 per day) will be paid in cash by AOTS.

## **(3) Personal Allowance**

- AOTS will pay ¥1,040 per day in cash to a participant.

## **2. Course Implementation Costs**

Course Implementation Costs, which is the cost to carry out a 2-week AOTS Management Training Program, is ¥408,000 and the Contribution to Course Implementation Costs (the amount participants should bear) is ¥160,000.

## **3. Domestic Travel Allowance**

- Expenses for a part of transportation fee between international airport in Japan and AOTS Kenshu Center
- AOTS will pay ¥5,360 in cash to a participant for the cost of travel between Narita International Airport (Tokyo) and AOTS Tokyo Kenshu Center (TKC).

### **Contribution to AOTS's Administration Cost**

AOTS would like to ask the participants to support us by giving us ¥30,000 per participant as Contribution to AOTS's Administration Cost.
