

# The Program on Corporate Management for Indonesia [IDCM]

**23 August ~ 5 September 2023**  
**@AOTS Tokyo Kenshu Center, Tokyo Japan**

## **Objective and Highlights of this course**

- ✓ This course is designed to enable participants to grasp the nature of the management problems facing their own companies and to formulate concrete solutions to strengthen their management base and competitiveness.
- ✓ Through lectures and company visits, participants will deepen their understanding of important management functions, and gain insight into current issues such as carbon neutrality and DX, thereby enhancing their corporate management skills.
- ✓ On the final day, participants will summarize their findings during the course, compile and present an action plan to improve their company's management issues and problems.
