

2023 AOTS Online Program

Organized by The Association for Overseas Technical Cooperation and Sustainable Partnerships (AOTS)

BACKGROUND

The Association for Overseas Technical Cooperation and Sustainable Partnerships (AOTS) is an organization for human resources development mainly in overseas countries to promote technical cooperation through training, experts dispatch and other programs. Through those programs, we aim at contributing to the mutual economic growth of developing countries and Japan as well as enhancing friendly relations among those countries.

TARGET COUNTRIES

Developing Countries

*Please refer to [Table 1] LIST OF TARGET COUNTRIES for details.

BASIC REQUIREMENTS FOR PARTICIPANTS

In order to participate in the online program, the following conditions must be satisfied, in addition to the work experience and position requirements specified for each program.

- a) Participants should live and work in target countries. Japanese is NOT applicable.
- b) Participants should belong to either a corporation or an organization.
- c) Participants should be 18 years old and over.
- d) Participants should have a high working knowledge of the language, which the program is conducted in so as to be able to understand the program content.
- e) Participants should not be armed forces personnel nor belong to a company associated with the military industry.
- f) Participants should not be students.

Notes:

- 1) applications from companies with capital from developed countries will be given lower priority in the selection process than applications from local companies that hold local capital.
- 2) This training is mainly aimed at the people working in the companies/organizations in the private sector, so those who belong to national or local government agencies may not be able to participate in this program.

HOW TO APPLY

Please apply via the application link on the AOTS website or in the leaflet for each seminar by the deadline.

After the deadline, AOTS will screen the applicants and select the participants, who will be notified from either our cooperative organization*or AOTS by email.

*We conduct the seminar with cooperation of AOTS's cooperative organization. The name of AOTS's cooperative organization is given in the leaflet for each seminar.

The screening is conducted based on a comprehensive evaluation as well as described eligible

requirements. Please note that you may not be able to participate in this program depending on the number of applications received.

If there are any questions regarding the application, please contact either our cooperative organization or AOTS.

Contact details for AOTS cooperative organization and AOTS can be found in the leaflet for each seminar.

ONLINE TOOL

Zoom Webinar

*When selected as a participant, you will receive a link to join the program from Zoom, approximately one week before the program day. On the day of the program, please click on this link to join the webinar.

*If you do not receive an email, please contact cooperative organization or AOTS.

NOTES

Please read the following notes before applying for this program. By applying for the program, you agree to the following terms and conditions.

- ◇ Do not transfer the seminar connection information (meeting link/number/password) given to the participants, to others without permission.
- ◇ This program will be conducted using the external service "Zoom". Participants are required to prepare the necessary equipment for attending the seminar, such as a computer, webcam, and microphone, and to confirm that the communication environment does not interfere with participating this program before the program started. The participant shall prepare and maintain the equipment and communication environment necessary to receive training at their own expense and responsibility.
- ◇ The personal information provided by the participant may be provided to the persons involved in the implementation of the program, such as lecturers and interpreters, based on the participant's consent. In addition, the registration information and other information and data provided may be used at the discretion of AOTS for the purpose of providing and operating training, improving and enhancing training content, publicizing other training programs and conducting surveys, or may be made public as statistical information in a form that does not identify individuals.
- ◇ The participants are requested to cooperate for a survey conducted by AOTS.
- ◇ Unauthorized reproduction, editing, modification, distribution or reprinting of handouts, or filming or recording of lecture content is strictly prohibited. Participants are asked to make a pledge not to commit any violation.
- ◇ In the event of an unavoidable accident (war, riot, labor dispute, earthquake, storm, fire, flood, epidemic, etc.) or network / equipment trouble, AOTS may cancel the implementation of the program. AOTS will not be held responsible if it becomes difficult for participants to participate in or continue to participate in the program due to an unavoidable accident or network/equipment trouble.
